

When I ask the questions at the end of a Heart & Soul Healing session:
“How many Mothers have you been? ” ,
“How many Fathers have you been?”
The answers are always a high number.
One answer will be more than the other.

WE ARE THE CREATORS OF KARMA.

PLACES WE HAVE LIVED IN THE PAST	DYNAMICS WE WERE A PART OF IN THE PAST
INDIA	Poverty - Rejection
SPAIN	Power - Pain
ENGLAND	Hunger - Sickness Country of Birth - Issues
JAPAN	Religion - Power & Control - War
EUROPE	Black Plague - Warfare
CHINA	Hunger - Control

We pick our parents because of their vibration or energy of the emotions they reflect.

- Each culture - religion has its’ own vibration
- Each problem / issue has its’ own vibration or energy
- Each area has its own vibration.
- Each age group has its own ideas.
