Heart & Soul Healing™

The Art of Transference

Private Sessions with Ken Page in Schertz, TX

August 14, 15, 18 - 21, 2014

Are you ready to release old emotions that keep you stuck in your past?

Find out why the same patterns continue to play out over and over.

Bring about the changes you have been waiting for - NOW.

DISCOVERED IN YOUR HEART & SOUL HEALING SESSION:

- Locate your own heart space center and become a true creator
- Release old energy patterns held within your emotions
- Achieve the highest and purest vibration within yourself
- Energetically clear your chakras and meridian points
- Become open to your higher self to get your own answers
- Release past energy patterns for peace within your relationships
- Identify and free any part of you held in past emotions
- Return frozen pieces of yourself back into your moment
- Release emotions imprinted on your body that are not even yours
(up to 40% from other people)
- Experience INscension™ and bring that feeling into your body now
- Release karmic attachments you still have to parents, lovers or others
- Bring in the parts of you which have not felt safe to be here until now
- Release conflicting, unhealthy programs in your subconscious: *It's not safe to love, it's not safe to be in my power or it's not safe to be who I am*
- Become free of your karma to create without the limitations of your past

Common issues addressed are: low energy, fears without cause, relationship and health challenges, habits you cannot break, low self esteem, chronic pain, sexual and emotional abuse, as well as karmic and traumatic links to the past.
